

# NY Open for Fishing & Hunting

## THE OFFICIAL NEW YORK

FISHING, HUNTING & WILDLIFE APP IS HERE!

Attention New York anglers, hunters and outdoor enthusiasts: there's a new FREE smartphone app just for you!

The FREE New York Fishing, Hunting & Wildlife App is available for iPhone and Android.

This cutting-edge mobile app gives both novice and seasoned outdoorsmen and women essential information in the palm of their hands. It provides up-to-date information on fishing, hunting and wildlife watching and interactive outdoor resources. Using the app's advanced GPS features, users will be able to identify and locate New York's many hunting, fishing and wildlife watching sites. They will also gain immediate access to species profiles, rules and regulations, and important permits and licensing details.

Plenty of features to maximize any outdoor adventure:

- Advanced GPS mapping features including built in compass
- Cacheable map tiles for offline use
- Potentially life-saving Alert features
- Species profiles
- Up-to-date regulations and license information
- News, advisories and weather alerts
- Social networking and photo sharing
- Real-time Calendar of Events

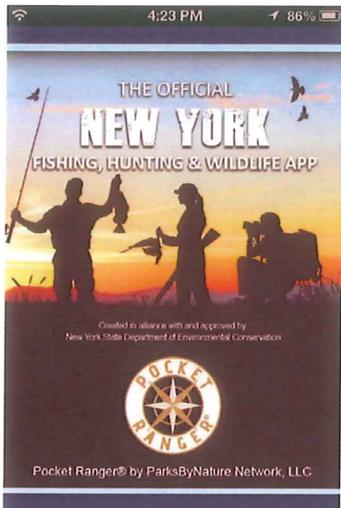

The New York Fishing, Hunting & Wildlife App is released on the App Store and Google Play. Powered by Pocket Ranger® technology, this is an official app for the New York State Department of Environmental Conservation.
