

Please join us at the Durham Community Center at the OLD Durham Elementary School on Route 145 in East Durham on Thursday evening **April 25, 2019 at 7 P.M.** We have planned a program to honor the memory and life of **Blossom Dearie** who had one of the most distinctive sounds in jazz and popular music. Blossom was born in East Durham on April 28, 1924 and passed away in New York City on February 7, 2009.

Her talent as a pianist, singer and song-writer was celebrated world-wide.

Blossom was greatly loved by her public from the time of her first vocal group recordings in the 1940's to her final appearances in 2006. We hope you will come and hear about her great success and hear again some of her music. Your memories and input will be greatly appreciated!
