The Town of Durham Police Reform Committee is holding a public forum next Thursday evening, February 11<sup>th</sup>, 2021 from 6:00PM to 9:00PM. The forum will be held at the Cairo Durham High School, located at 1301 SR145, Cairo, NY, 12413.

Those wishing to attend may come in person, or call 503-300-6830 and enter conference code # 114503 to listen via conference call.

The Reform Committee is seeking residents of Durham to join us and discuss The Durham Police Department, what it means to our Town, and what we can do to improve community relations. With the Executive Order issued by the Governor directing Police Reform, the Reform Committee is taking suggestions from residents and forming a draft plan to implement changes in our Police Department to better our Town.

Please join The Reform Committee Thursday evening if possible. If you are not able to join us, I will leave my email and cell number below. Please email or call with any suggestions or comments, and I will be sure to discuss them at the forum and with the Committee.

-Shawn Marriott  
Town Supervisor, Police Commissioner
