Supervisor Marriott called the meeting to order at 5:05 p.m.

Marriott reported he has people present who are not filling out the covid questionnaire correctly so it is his recommendation to adjourn for safety reasons and reconvene in 15 minutes by teleconference. He feels it would be for everyone's safety to not stay in the building. He said he understands that everyone is wearing a mask and everyone is property spaced apart but there is the issue about washing your hands and touching things around you.

He said he was going to log on teleconference in 15 minutes at 5:30pm.

Partridge let the board know she did not advertise it as a teleconference meeting since it was an emergency meeting. Marriott said all meetings are teleconference from now on.

The board called in to reconvene at 5:38pm.

A motion was made by Breslin to stay with the current health care plan, seconded by Hulbert, all in favor, motion carried. (5 Ayes – Marriott, Breslin, Sutton, Hulbert, Bennett)

Breslin mentioned seriously looking at the webex quote and making a decision on what platform will be used in the future.

A motion was made by Hulbert to adjourn at 5:43pm, seconded by Bennett.

Respectfully submitted,

Janet Partridge,
Clerk/Collector
